10. Large fixed playground equipment

#### Record of Primary PE sports grant spending by item/project 2013-2014 Lump sum £8,860

Action/project	Purpose	Cost	How will it be measured?	Impact
1. LRSSP Continued Professional Development Plan (Whole School)	To develop staff knowledge of PE across the whole school	£850	Improvement in delivery of lessons (active learning time) and staff confidence	Increase in staff confidence in delivery of PE sessions. Increase in active learning during sessions.
2. Playground Equipment (Whole School)	To broaden the range of physical activities undertaken by children at break times and widen experiences of social interaction including problem solving, conflict resolution and cooperation.	£1,350	Increase of activities in playgrounds. More positive play experiences. Less behavioural/first aid issues at break times.	Higher levels of engagement and involvement (and well-being) at play times.  Reduction in First aid 'visitors' at break time.
3. Transport to Fixtures (KS2)	To increase participation in after school sports competitions	£480	Increase in children participation of after schools sports.	100% Increase in participation of local school tournaments: Girls' Football league. Reaching 6 <sup>th</sup> position in local

				league from no previous entry.
4. Dance and Cheerleading Lunchtime clubs (Whole school)	To broaden the range of physical activities offered to children and increase participation in physical activity. Develop movement skills	£1,200	Monitoring of amount of children taking part Increased movement skills – are children more spatially aware? (decrease of first aid incidents an indicator)	100% increase in participation of additional physical clubs at lunch time. 95% children supported for developing a healthy life style participating. Reduction in First aid incidents by 27%. Heightened engagement in teamwork.
5. Lego Lunch time clubs (whole school, KS2 focus)	Develop fine motor skills, participation in team and social activities.	£620	Increase in levels of presentation of work. Increase in performance of movements related to fine motor control and hand-eye coordination	Improved presentation  Indication of Fine Motor skills improved – defined especially in boys' handwriting – very early indicator.
6. Spare Kit and Match Kit Whole school, KS2 focus)	Increase participation in physical activity through availability of appropriate clothing	£85	Decrease in number of children not participating through lack of appropriate sports ware.	23% in overall proportion of pupils not participating, however reverse impact in pupils utilising kit regularly and not obtaining own.  Well presented team at external events see 3 above.
7. Drumming Workshop (KS2)	Increase gross motor skills and give experience of physical activity outside of the sports world to encourage reluctant participators to engage in a healthy lifestyle	£400	Enjoyment of physical activity from reluctant pupils. Development of gross motor skills and hand-eye coordination.	Inspiration for pupils disengaged from physical activity. ( pupil feedback) Indication of Fine Motor skills improved – defined especially in boys' handwriting – very early indicator.
8. Mobile Climbing Experience (KS2)	To broaden the range of physical activities undertaken by children and	£950	Increase in team skills, cooperation (decrease in behaviour issues as indicator)	Inspirational and motivational impact on KS2 pupils. Self-confidence and esteem improved

	widen experiences of social interaction including problem solving, conflict resolution and cooperation. Develop gross motor skills.		Increase of gross motor skills (PE levels increase) Increase in wellbeing	alongside increase in team work and well being.  Impact on GMS not detectable as a one off event, but has synergy with other activities to build core strength and GMS.
9. Golf coach KS1	To broaden the range of physical activities undertaken by children	£180	Development of gross motor skills and hand-eye coordination.	Hand-eye co-ordination  Fine motor skills improvement manifest in increase in legible joined-up handwriting.
10. Large fixed playground equipment (KS1 & EYFS)	To broaden the range of physical activities undertaken by children at break times and widen experiences of social interaction including problem solving, conflict resolution and cooperation.	Contribution: £2845	Increase of activities in playgrounds. More positive play experiences. Less behavioural/first aid issues at break times.	Higher levels of involvement and engagement and wellbeing at Play times.  Increase in positive playtimes (pupil survey) Reduction in first aid incidents – early indication.
