Psalm 145:9

*The LORD is good to all; he has compassion on all he has made.*

Dear Parents/Carers,

It was fantastic to see so many parents come and share pupils progress at our recent Parent/Teacher Consultation evenings. Thank you, the children enjoyed sharing their progress with you and had much to celebrate, please contact the office or your child's teacher by Dojo if you still wish to make the appointment. Many Parents also received their children's CGP books. This year we will be basing much of our homework on these books - thank you for supporting this. If you didn't order a set and would like to, please contact the office. They are available for £8.50 which is a huge discount against Amazon at £22.25 per set.

Likewise we had 84 Parent/Carers/Visitors attend our Harvest Supper— this was a tremendous success - thank you to everyone taking part, baking, building, making, sewing and eating it all up!!!  
Looking forward to a super 2nd half of the Autumn term.

Best Wishes  
Mrs J Marshall

## Welcome to this years READING CHALLENGE!

This year we are proud to be able to recognise and reward pupils' reading each term. So each term for fantastic reading we will have prizes!

Our theme is **Knighly Reading!** So bedtime stories and bedtime reading are all included.

### How it will work:

⇒ Read 10 books (or in KS2 chapters) = bronze certificate.

⇒ Read 20 books (or in KS2 chapters) = silver certificate.

⇒ Read 35 books (or in KS2 chapters) = gold certificate.

There will also be a book list of 100 books which will include traditional tales and nursery rhymes for EYFS and KS1. For each one read it counts as double (2 books/chapters). So if 5 books or chapters on the 100 book list are read, it counts as 10 books/chapters - reaching bronze.

When the children reach gold they will be invited to a book banquet. At the banquet they can dress up as a princess or a knight (optional) where they will be crowned as golden readers. They can become golden readers as many times as they like!

All gold certificates will be gathered up to go in a prize draw at the end of each term to win a prize. The more gold certificates the more likely the children will be to get a prize.

So get reading nightly for knighly reading!

## Staffing update

We have some staffing updates for you:

**Retirement news** - After 11 years at All Saints and after 20 years teaching Mrs Morris has decided to retire from teaching. Mrs Morris will be retiring from All Saints on the 20th December - last day of this term.

**Congratulations** to Miss Wach who was married at the end of October. Miss Wach will now be know as Mrs Casey. We wish Mr and Mrs Casey best wishes for a long and happy life together.

**Goodbye and Hello** - Mr Harrison has left us to join Wigston Academy to support their ASD provision. However we are very pleased to announce that our ASD hub will continue and be supported by Mrs E Roberts. So a big hello to Mrs Roberts— although we already know her well!

Watch this space for further exciting news regarding our ASD provision at school!

## STARS OF THE WEEK.

Well done to the following children that have received the star of the week:

Madison W   Ethan H   Connor L   Niyah T-W   Alante M  
Louise R   Tyler W   Kye P   Janessa M

## Poppy Sale

Don't forget that we have Poppies, wristbands, and more available in the school office, to support the Royal British Legion. Items can be bought before and after school or at break time. Prices vary from 50p to £1.50. All donations are extremely appreciated!

## Lost Property

Lost property is piling high again, with coats and jumpers. To prevent items being lost, we ask that everything your child brings to school is clearly marked with their name, especially clothing and P.E Kits so that they can easily be returned to their classes if mislaid.

Due to limited space and storage we will be disposing of all unclaimed lost property at the end of every term. Thank you.

## Academisation Update

As you will recall, All Saints is currently pushing academy status along with Hope Hamilton in the city and Houghton on the Hill, both C of E Primary schools. After slowed by the General Election back in the summer, we are now moving forwards again along with Richard Hill C of E Primary school in Thurstaston.

Heads and Governors have been working together continuously to develop plans after all four schools have recently collaborated together with all teaching staff meeting together to share exciting outcomes. This was a very positive event, the first of many to come as we work together to raise outcomes to all pupils across our proposed Multi-Academy Trust.

## Attendance

Congratulations to class Elmer for achieving the highest attendance of 99.3% last week.

If your child attends school for the whole week, they will receive a "golden ticket" which gets entered into a prize draw for the chance to win a scooter/bike at the end of the academic year.

Lets keep the attendance up!
