Whatever you do, work heartily, as for the Lord

Dear Parents/Carers,

Welcome back to the last half of this Summer Term. We are already well underway with events and activities as we move through June. Year

6 has a fabulous trip to Warning Zone on Monday this week!

This newsletter will update you further with information surrounding events over the next few weeks.

I look forward to seeing parents and families at these events as we move, through the term.

Best wishes

Mrs J Marshall

Academisation Update:

We are expecting to convert to an Academy on July 1st 2018. There will be no noticeable changes to the school operationally. However, as with all complex processes this could change. We will update you accordingly.

Gas Works Update:

You will have noticed that contractors are on site repairing our gas pipes. Hopefully this work will be completed at the end of next week. Thank you for your patience and support with this matter.

Footsteps Building Work:

We are expecting the building work for Footsteps to start on 2nd July, further information will be given out nearer the time. There will be little impact on pupils and none upon the car parks. We will also be having significant updates with external windows and doors over the holidays. This will compliment the internal classroom door and corridors that will be constructed in the middle area of the school. As part of the Footsteps conversions. A new secure job access system will also be included in this work.
